JONATHAN MOYER, ORGANIST • Sunday, September 25th, 4:00 pm

Our season begins with a local organist "coming back home" to present an organ recital. Jonathan William Moyer is music director and organist of the Church of the Covenant in Cleveland, OH and is an assistant professor of organ at Oberlin College. He specializes in a vast repertoire from the renaissance to modern era, and his playing has been described as "ever-expressive, stylish, and riveting" (*The Baltimore Sun*). He has performed throughout the United States, and in Europe and Japan, along with numerous ensembles including the Boston Symphony Orchestra, Richmond Symphony Orchestra, Tanglewood Festival Orchestra, and the Oberlin College Orchestra. Jonathan was an Upper Bucks Student and grew up in the Pennridge community.

New York City Children's Chorus • Sunday, October 23rd, 4:00 pm

One of our founding members of the concert series here has a grandson that performs with the NYC Children's Chorus! This choir is part of the graded choral program founded by Mary Huff in 2012, and hosted by Madison Avenue Presbyterian Church. We are so excited to welcome them to our region!

VALLEY CHORAL SOCIETY • Sunday, December 11th, 4:00 pm

Valley Choral Society and Artistic Director Patricia Conrad present their annual Christmas lineup highlighting works and arrangements of beloved carols and some favorites from the VCS library. Assisted by Drew Long, we will hear a cappella choir, as well as piano and organ accompaniment.

CHRISTMAS AT FIFTH & CHESTNUT • Sunday, December 18th, 7:00 pm

The four choirs of Trinity present a candlelight review of the Advent journey through Christmas Day, reflecting on choir selections and readings of the season. Also included is congregational carol singing and candlelight. A dinner is offered at 5:30 pm in the Fellowship Hall, which requires RSVP at least one week prior.

We look forward to following up with more details about 2017!
