

**Pennridge FISH Benefit Concert on  
Sunday, June 23, 2019 – 4:00 PM**

During the summer months the food pantry at FISH runs low. Members of the *Generations Chamber Ensemble*, directed by Jim Garcia, have agreed to volunteer their time and perform a concert to help raise funds and donations of food to Pennridge FISH. The chamber ensemble will perform a variety of music from classical, marches and patriotic music. It will also feature solos by members of the ensemble. The concert is free; however, a free will offering of food or money will be made before and during the concert.
